

40th Annual Ivan Hanchard Charity Golf Tournament Report

SELL OUT CROWD RAISES \$30,000 FOR BC CHILDREN'S HOSPITAL & BETTY SPALTON SCHOLARSHIP FUND

On Friday, May 8th, the BC Road Builders hosted the 40th Annual Ivan Hanchard Charity Golf Tournament.

Over 320 people participated in the sold out golf tournament, which took place at Northview Golf & Country Club in Surrey. The association once again used a "fivesome" format to accommodate everyone who wished to participate.

In total, the association raised \$30,000 for two worthy causes. \$5,000 of the funds raised will be directed to the Betty Spalton Scholarship Fund so we can continue to support people who wish to enter the road building and heavy construction industry by offering educational scholarships.

\$25,000 will be going to BC Children's Hospital to support the "Be a Superhero" Campaign which is the \$500 million project to re-build the hospital into one of the world's leading pediatric care and research centres. Over the last nine years, the association has contributed \$200,000 to help sick kids make speedy recoveries.

After enjoying a fun, friendly day of golf, attendees enjoyed a delicious barbeque dinner and participated in the live and silent auctions.

We would like to thank all of our members, special guests and partners from the industry for taking the time to participate in this year's tournament.

Special thanks to all of the companies who contributed to the tournament by sponsoring holes and/or donating cash and auction items. Your generosity is once again appreciated.

Also, thank you to our golf committee: Steve Drummond, Ed Claggett, Ken Davies, Jim Sced & Chris Clark.

Thank you to our generous sponsors!

CHARITY AUCTION SPONSORS

3M Canada Co.	Manulife Financial
Accent Inns	Miller Capilano Maintenance
BC Road Builders	Nilex
Beach Grove Golf Club	Northview Golf & Country Club
