

**Welcome to the 2023-2024 Blue Book.**

**All equipment models are listed in the correct class at the correct rate.**

**As we make progress to digitalize the Blue Book, some discrepancies have been noted in the class descriptions.**

**This does not change where a model is listed. Please note in your Blue Book.**

→ **Concrete Equipment.** Section 4.3, on page 45, should read **\*WITH FUEL**

Section 4.3: Concrete Equipment - CONCRETE VIBRATORS * WITH FUEL				
Description	Capacity	Daily	Weekly	Monthly

→ **Electrical Equipment.** Section 6.1, 6.3 & 6.4, on page 51, should read **\*NO FUEL.**

Section 6.1: Electrical Equipment - GENERATING SETS *NO FUEL				
Description	Output Rating	Daily	Weekly	Monthly
Section 6.3: Electrical Equipment - WELDING OUTFIT (Truck Mounted) *NO FUEL				
Description	Output Rating	Hourly	Less Op	
Section 6.4: Electrical Equipment - LIGHT TOWERS *NO FUEL				
Description	Capacity	Daily	Weekly	Monthly
<b>NOTES:</b>				
- No Fuel means that any Fuel consumed during the rental period is to be billed over and above the daily, weekly, or monthly rental rate. Fuel used should be billed as a separate line item and does not qualify for adjustments.				
· Rates as published are subject to monthly fuel adjustment - For more details, please see - <a href="http://fuel-price-adjustment.bcbluebook.com">http://fuel-price-adjustment.bcbluebook.com</a>				

→ **Excavators.** Section 7.1, Class 3 MINI/COMPACT EXCAVATORS is missing a selection of models. The models missing are here:

Section 7.1: Excavators - MINI/COMPACT EXCAVATORS - Operating Weight Under 21,000 lbs					
CLASS 4					
9,000 - 12,998 Lbs (4.08 - 5.9 Tonnes)		2023 - 2020	2019 - 2015	2014 - 2010	2009 and older
	AF	\$ 111.85	\$ 109.15	\$ 106.60	\$ 104.20
<b>MANUFACTURER</b>	LO	\$ 53.65	\$ 50.95	\$ 48.40	\$ 46.00
<b>JCB</b>					804
<b>Kobelco</b>	SK30SR-6E, SK35SR-6E			35SR-Acera	30SR-2, 30SR-3, 35SR-2, 35SR-3, SK025, SK035, SK35SR
<b>Komatsu</b>	PC35MR-5		PC35MR-2, PC35MR-3	PC27MR-3	PC20-6, PC27MR-2, PC27R-8, PC30-6, PC35R-8
<b>Kubota</b>	KX033-4, KX71-3, KX91-3, U35, U35-4				KH60, KX101, KX121-2, KX71, KX91, KX91-2

→ **Excavators.** Section 7.4, on page 66, Excavator notes is missing some attachments. The full list of attachments can be found here:

NOTES:	
-	Excavator attachments are when required. Attachments to be calculated on the Less Operator (LO) rate.
-	Excavator equipped with Brush Guard Package - Add 5%.
-	Excavator equipped with Static Ripper - Add 3%.
-	Excavator equipped with Chuck Blade - Add 5%.
-	Excavator equipped with manufacturer designed hydraulic thumb - Add 5%.
-	Excavator equipped with "Wrist-O-Twist" attachment - Add 5%.
-	Excavator equipped with Long Reach - Add 10%.
-	Excavator equipped with Six-Way blade - Add 5%.
-	Excavator equipped with Forestry processor -Add 30% (generally falls in 59,000lb average weight class).
-	Forestry Processor rates are added to the Forestry Excavator Rate. See Forestry Section 17 for Forestry Excavators.

→ **Loaders.** Section 10, starting on page 83, the bucket capacity is incorrect. Cubic meters (m3) and cubic yards (cu yd) should be swapped.

Currently reads:

Section 10.1: Loaders - CRAWLER FRONT END LOADERS				
CLASS 1				
Under 1 m3 (0.76 cu yd)	2023-2022	2019-2015	2014-2010	2009 and older
MANUFACTURER				

However, should read:

Section 10.1: Loaders - CRAWLER FRONT END LOADERS				
CLASS 1				
Under 1 cu. yd. (0.76 m3)	2023-2022	2019-2015	2014-2010	2009 and older
MANUFACTURER				

\*This applies to all classes listed in Section 10.

→ **Rollers.** Section 13.2, on page 99, the operating weight is incorrect. Tonnes and Tons should be swapped.

Currently reads:

Section 13.2: Rollers - SELF PROPELLED - Sanitation/Reclamation Compactors					
Operating Weight	Minimum Horsepower	Make	Model	Hourly	Less Op
Under 15 Tonnes (13.6 Tons)	150 hp				
		New Holland	CV1100, CV700, CV900		

However, should read:

Section 13.2: Rollers - SELF PROPELLED - Sanitation/Reclamation Compactors					
Operating Weight	Minimum Horsepower	Make	Model	Hourly	Less Op
Under 15 Tons (13.6 Tonnes)	150 hp				
		New Holland	CV1100, CV700, CV900		

\*This applies to all classes listed in Section 13.2

→ **Rollers.** Section 13.3-13.4, starting on page 100, the operating weight is incorrect. Tonnes and Tons should be swapped.

Currently reads:

Section 13.3: Rollers - SELF PROPELLED - Vibratory (Rubber and Steel)				
CLASS 1				
<b>Under 5 Tonnes (4.5 Tons)</b>	2023 - 2020	2019 - 2015	2014 - 2010	2009 and older
<b>MANUFACTURER</b>	AF			
	LO			

Should read:

Section 13.3: Rollers - SELF PROPELLED - Vibratory (Rubber and Steel)				
CLASS 1				
<b>Under 5 Tons (4.5 Tonnes)</b>	2023 - 2020	2019 - 2015	2014 - 2010	2009 and older
<b>MANUFACTURER</b>	AF			
	LO			

\*This applies to all classes listed in Section 13.3 & 13.4

→ **Scrapers.** Section 14.2, starting on page 110, the KW and FWHP should be swapped.

Currently reads:

Section 14.2: SCRAPERS - ELEVATING				
CLASS 1				
<b>Under 250 FWHP (186.42525 KW)</b>	2023 - 2020	2019 - 2015	2014 - 2010	2009 and older
<b>MANUFACTURER</b>	AF			
	LO			

Should read:

Section 14.2: SCRAPERS - ELEVATING				
CLASS 1				
<b>Under 250 KW (186.42525 FWHP)</b>	2023 - 2020	2019 - 2015	2014 - 2010	2009 and older
<b>MANUFACTURER</b>	AF			
	LO			

\*This applies to all classes listed in Section 14.2

→ **Trucks, Trailers & Attachments.** Section 16.4, page 133

Missing notes section.

SECTION 16.4: TRUCKS, TRAILERS & ATTACHMENTS TRUCK ATTACHMENTS AND TILT TRAILERS
<b>NOTES:</b>
· Add applicable rate per day for portable fire pumps if tanker is so equipped and the pump is required.
· Add \$ 6.30 per hour to above rates for four wheel drive where required.
· Add \$ 8.20 per hour to above rates for six wheel drive where required.

→ **Trucks, Trailers & Attachments.** Section 16.8, starting on page 135, Tons and Tonnes should be swapped.

Currently reads:

Section 16.8: Trucks, Trailers & Attachments - OFF HIGHWAY HEAVY DUTY DUMP				
TRUCKS - Articulated				
CLASS 1				
<b>Under 20 Tonnes</b>	2023 - 2020	2019 - 2015	2014 - 2010	2009 and older
<b>(22 Tons)</b>	AF			
<b>MANUFACTURER</b>	LO			

Should read:

Section 16.8: Trucks, Trailers & Attachments - OFF HIGHWAY HEAVY DUTY DUMP				
TRUCKS - Articulated				
CLASS 1				
<b>Under 20 Tons</b>	2023 - 2020	2019 - 2015	2014 - 2010	2009 and older
<b>(22 Tonnes)</b>	AF			
<b>MANUFACTURER</b>	LO
