Welcome to the 2023-2024 Blue Book.

All equipment models are listed in the correct class at the correct rate.

As we make progress to digitalize the Blue Book, some discrepancies have been noted in the class descriptions. This does not change where a model is listed. Please note in your Blue Book.

Concrete Equipment: Section 4.3, includes Fuel.

Section 4.3: Concrete Equipment - CONCRETE VIBRATORS * WITH FUEL

> Electrical Equipment: Section 6.1, 6.3 & 6.4

Section 6.1: Electrical Equipment - GENERATING SETS * NO FUEL

Section 6.3: Electrical Equipment - WELDING OUTFIT (Truck Mounted) * NO FUEL

Section 6.4: Electrical Equipment - LIGHT TOWERS * NO FUEL

Refer to the NOTES section on *No Fuel
