

WOMEN IN ROAD BUILDING SPONSORSHIP PACKAGE

Cheers to Round Two: Women in Road Building BrewPub Evening

Back by popular demand! After a highly successful first event, we're inviting select BCRB members to sponsor our second BrewPub Evening, a fun, informal night for women in heavy construction to connect, share stories, and build community.

Sponsoring this initiative is a meaningful way to support the growing network of women in our industry and to show your commitment to inclusion and leadership in the sector.

Event Details: Join us for an evening of connection, conversation, and community at our second Women in Road Building BrewPub Night, August 21, at the Tap & Barrel Brentwood in Burnaby.

Your \$40 ticket includes your first drink and a spread of tasty bites to snack on while you mix and mingle with a fantastic group of industry professionals.

While this event celebrates women in road building and heavy construction, all are welcome to join us in raising a glass to progress, inclusion, and the people who keep BC moving forward.
